

# **THANK YOU FROM NOTTAWA ELEMENTARY SCHOOL**

**On Friday June 15<sup>th</sup> , Nottawa Elementary School held it's Annual Fun Fair and Silent Auction. And because of your generosity, the Silent Auction was once again a tremendous success!**

**We are always so inspired by the families and businesses in this community; year after year, the support for our school has been overwhelming. This year the interest in the Silent Auction was at its peak....so many great items to bid on! Every item had multiple bids, and many wars were waged as bidding times came to a close. It was fun to watch – and more fun to be a part of!**

**Please accept our thanks for being a part of this wonderful fundraiser for our school. When our children benefit we ALL win....**

**Have a safe and happy summer.**

**With Thanks,**
