Dear Nicole,

On behalf of all of us at RVH I would like to extend a heartfelt thank you for helping to make last year's RVH Crystal Classic another record-breaker. The strength of this great community has been demonstrated again by leaders such as yourself.

I am writing to ask if you will consider donating an auction item to our Gala on Sunday, June 1<sup>st</sup>, 2008. This year's theme is "**An Enchanted Evening**".

Last year with your help the Crystal Classic raised \$375,000. This event is one of the largest, most prestigious and successful in the community. Since the Crystal Classic began in 1987, more than \$1.5 million has been raised for the purchase of medical equipment. In the past few years monies have been directed towards Phase 1 of the hospital expansion which includes the Simcoe-Muskoka Regional Cancer Centre. This year is particularly exciting as construction will begin on the expansion with a completion date slated for 2011.

"**An Enchanted Evening**" will feature an elegant evening of gourmet dining, stunning décor and a fabulous array of live and silent auction items. To accommodate for the ever growing demand for Gala tickets, this year's event will be held at Georgian College. This new venue will allow us to provide all of the sensational aspects of this extraordinary event in one room.

I would like to ask you to once again consider supporting the Crystal Classic Auction. We appreciate your support and look forward to another successful event! Please contact Marcy Baldry (705) 728.9090 ext. 41612 to discuss your donation.

It's **your** hospital, **your** health care, and you truly **are** making a difference!

With Sincere Appreciation,
