

Dear Kendra @ Spa Lumina,

Thank you so very much for your support of Women & Children's Shelter of Barrie!

We value and appreciate our relationships in the community.

The number one factor most greatly influencing whether a woman will leave an unhealthy relationship is a visible increase in the level of community support –

You have made that difference to families in our community! Thank You!

Sincerely,

Hyndal Muir  
Executive Director

Women & Children's Shelter of Barrie

Thank you for your generous donation of beauty & hair care products! Our women had a blast for their Spa Night! 😊
